Impact 10

Rolling Hills Covenant Church

Acts 2:42, 47

They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer...They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.

How Impact Groups Work...

What is Impact?

The goal of Impact groups is simple: to create life long disciples of Jesus Christ by offering a small group built upon the power of Christian fellowship, the study and application of the Bible, supporting one another through accountability and prayer, and a mentoring relationship with a spiritually mature adult Impact leader.

When Does Impact Meet?

We meet on Wednesdays from 6:30 to 7:30 p.m. for a time of worship, fun, and Bible teaching led by Pastor Shawn Hurley. From 7:30 to 9 p.m. students meet in their Impact Groups to discuss the message, pray for each other, and have fun.

We have three all Impact potlucks throughout the year called Feasts. They are great times to get together, share a meal, and take communion. Feasts happen in October, January and June.

On the first week of non- Feast months, our students will have Old School Impact. These are weeks where there is no large group meeting at the Community Center, but instead have an extended time with their Impact groups in a home.

Where Does Impact Meet?

Impact meets for the first hour as a large group at the RHCC Community Center located at 735 Silver Spur Road in Rolling Hills Estates. Following that hour, each individual group meets at the Community Center or in nearby homes for the small group portion.

What is the commitment?

Impact groups are a big commitment, and that is part of the reason behind their success. First of all, students are expected to be there every week. When students miss Impact, the entire group loses momentum. Students who frequently miss Impact may be removed for the health of the whole group. Secondly, students who wish to be in an Impact group must attend the first hour Bible study, so that they can be an active part of discussion and application that occur within the group.

Impact is a commitment for parents too. Impact groups are not designed to replace parents, but to come alongside and help families raise students who love Christ. The leader, student, and parents need to be communally committed to the Impact group for it to truly succeed.

How Can I help as a parent?

Serve as a Point Parent: Each group will have a host parent who will communicate amongst the group leader, the parents and students as to where Impact will be held that month. They will also host a twice a year meeting of parents and the leader.

Serve as a Host Parent: The Host Parent does just that: hosts Impact in his/her home for a month, and helps with the transportation of students to/from the Community Center.

How are students placed in Impact?

Each student may list two friends that they would like to be placed within a group. There is no guarantee that we can accommodate these requests, however we do try to place everyone with at least one friend. Secondly, we try to keep students in groups from the same High School. Finally, we have found that the healthiest groups are single sex and composed of all grades 9-12. Thus, we do our best not to overload groups with one grade level.

How do I sign Up?

Fill out and turn in the registration form and attach a picture of yourself. All students are required to submit a registration form regardless of their previous placement in an Impact group. Students who do not turn in a form will not be placed in a group. **The cost of Impact is $35**, which allows us to train and support our Impact leaders. All forms are due no later than August 30th.
