

Living in 3D

Serve Experience

Join us , **Wednesday, April 6th and Thursday, April 7th** for a chance to open your eyes to needs both globally and locally. We will start **Wednesday night from 6-8:30pm** for dinner, training, and activities that will help you understand God's heart for the injustices facing our world. Then we will put some of those tools into practice. On **Thursday**, we will **meet at the RHCC Welcome Center at 9:00 am** and head out to Lynwood Worship Center. We will serve at the church and hear from Pastor Woody and hear about the injustices he faced and how through Christ he experiences true freedom. We will take a small tour and help out in the neighborhood and eat some real "soul food" at a local restaurant. We will then return to the Lynwood church to debrief the time. **We will return to RHCC by 3:30pm. The cost is \$30.**

To attend: fill out and turn in the portion below with the payment into the Student Ministries office or to any Jr. High Event.
